DESCRIPTION

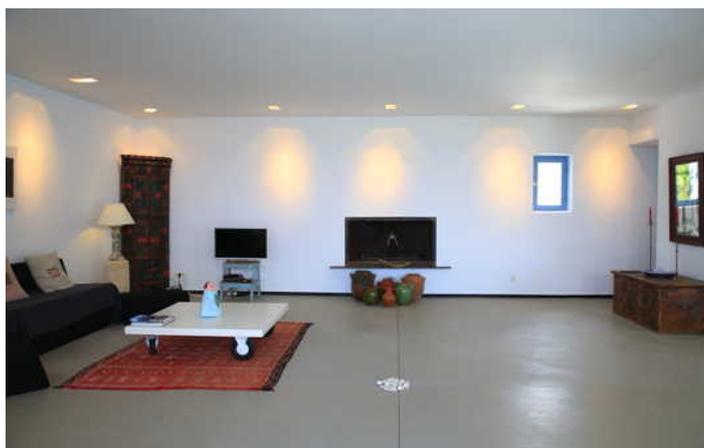

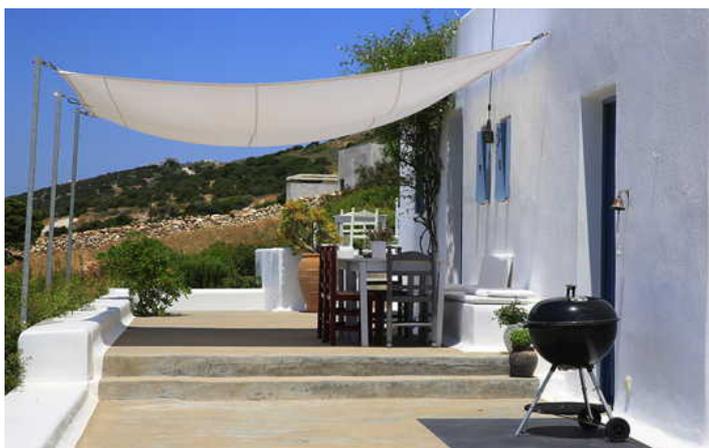

This exclusive holiday villa impresses due to its quiet location and its stylish design. It is located on a hillside property in the south of the island of Paros and offers wonderful views of the sea and the neighboring island of Antiparos. In summer, life takes place by the spacious pool terrace, which is equipped with a BBQ, sunbeds and umbrellas. The architectural finesse is the generosity of the rooms, which transfers the spaciousness of the property and the panoramic views inwards. The lounge, equipped with fine details and held in minimalistic design opens to the adjacent kitchen. The passage of both rooms is a dining table, which invites to gather to talk, to have common meals and much more. The kitchen has a panoramic window over the entire width of the room to the pool deck. Another detail of the architect to transfer warmth and light into the rooms. The lavish master bedroom with ensuite shower/WC is located in the 1st floor of the main house. Two guest bungalows follow the main house. Each bungalow features a double and a twin bedroom, which are also held in minimalistic design and they each share a bathroom with shower/WC. Cozy sitting areas in front of the bungalows with sunshades offer the opportunity to occasionally separate from the others to retire and to retreat. Car rental is mandatory due to the secluded position. Grocery stores, tavernas and restaurants are within 5 - 10 minutes driving away. The nearest beach Tripiti is as close as 10 minutes walking away. Weekly service is included in the rental price.
