### > DESCRIPTION

---

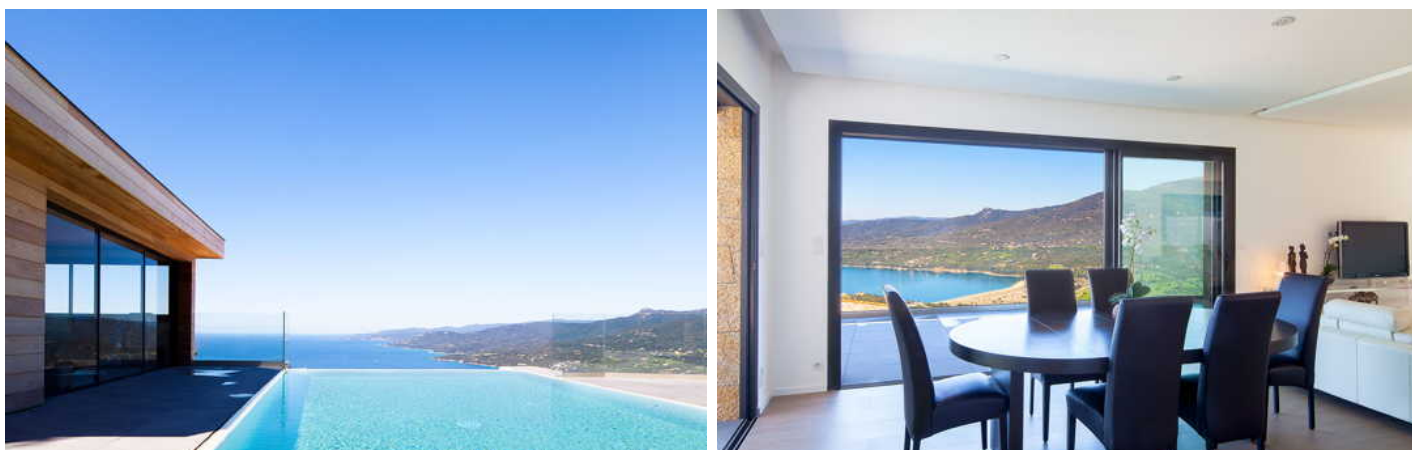

The two-storey Villa Valinco is a spacious, tastefully decorated and nice-proportioned vacation villa with a stunning unblocked panorama over the gulf of Valinco, situated with mountains in the background. The pool and the villa are surrounded by a glass railing which allows one to enjoy safely the gorgeous sunset on the Mediterranean. The entrance hall is rich in light thanks to a wide bay window running the height of both floors. On this entrance level are two bedrooms, each with a view of the sea and opening up to wooden terrace. On the first floor, the main living area widely opens up to exterior, to the large terrace running the length of the house and the pool. The unique view can be enjoyed from the sitting area, the long dining room table and even from the state-of-the-art kitchen. Open up the wide windows to let the nice night-time breeze come in, or sitting down on the terrace you can enjoy watching a ferry or a cruise boat go in and out of the Valinco bay. The corridor on this floor leads to two other double bedrooms with en-suite shower and direct openings to the terrace. Villa Valinco's nicely-proportioned, transparent architecture and tasteful decoration is completed by deckchairs, barbecue, pool house, small garden and a two-car garage.
