DESCRIPTION

Cederberg House is inspired by the timeless design of Cape Dutch architecture and overlooks the tranquil banks of the Boontjes River. This luxury villa is part of the exclusive and award-winning Relais & Chateaux Hotel Bushmans Kloof Wilderness Lodge and offers an exclusive window to the wilderness beyond.

The natural aesthetic of the house has been carefully selected and combines the landscape with the raw materials of stone and slate. The thoughtfully curated collection of original South African artwork makes this house unique.

Cederberg House is ideal for families, friend groups and comfortably accommodates 4 people. Each room has underfloor heating. One of the two large master suites has a four-poster bed and each suite has its own outdoor shower. The living space has a wood-burning fireplace. Outside, the large private terrace and heated pool with sun loungers provide the ideal place to connect with the sights and sounds of South Africa’s nature as night falls over the reserve. Luxury class service from a caring team ensures a restful vacation in Cederberg House.

Cederberg House features a private guide to explore the magical wilderness of Bushmans Kloof. This house is a secluded sanctuary for a perfect retreat and offers state-of-the-art technology.
