> DESCRIPTION

Built in the typical Ionian-island style, this vacation property consists of two houses and is located on the renown Amoudi Beach, which suits perfectly for families with children. The buildings are surrounded by a beautiful garden of approximately 10000 sqm. The six apartments are spacious and have been tastefully furnished. One building consists of Alkyone, Ariadne and Phaedra, whereas Iris, Nefeli and Clio are located in the other house. Apartment Iris lies on the ground floor and has a spacious terrace with access to the garden. From the terrace, one can enjoy the magnificent views of the sea and of the shallow, fine sandy beach, which is only some 50 meters away. A delightful pathway leads through a country garden with grapes, vines, figs and banana trees down to the beach. The atmosphere of the holiday property has been influenced by the neighbouring farmers and fishermen. A typical Greek will love to entertain you over a glass of home-made wine by playing his guitar and singing the island's folksongs. All apartments have a telephone and a common room with a washing machine. The nearest shops and tavernas can be found 500 m away.
